

“In God We Trust”

Walker County Political Accountability Coalition

God Bless America

Thank you, Walker County

The Walker County Political Accountability Coalition thanks all voters who cast a ballot for its slate of candidates, as well as to everyone who gave other types of support to the coalition and to its candidates this election season.

We also want to give special thanks to our candidates for the great campaigns they waged, and we want to congratulate all the winners -- Democrats, Republicans, coalition candidates and non-coalition candidates -- in our local races. You will be our leaders in the coming years. We pray that God gives you wisdom to serve and lead in the coming days, and that we may lift you up as servants in our great county.
